Pakistanis manpower is best known for their honesty, hard work and dedication. The reputation Pakistanis workers still continues in the same spirit. The importance of industry is on the rise due to the mounting unemployment problem in Pakistan. Every year thousand of youth try their future in foreign employment for a good economic prospect. Realizing the benefits of foreign employment. Pakistan government is introducing foreign employment-friendly policy to promote this sector. The government of Pakistan has opened about seven dozen countries for foreign employment. Of them, the countries in the Middle East occupy prominent positions to employ Pakistanis workers.
